This figure is an architectural drawing of a building facade, likely a technical or construction plan. It features several vertical columns representing different sections of the wall, each with its own set of dimensions and labels. The drawing includes various symbols such as 'WD' (Window), 'DOE' (Door), 'NOK' (Notch), and 'PX' (Pillar). Labels in Japanese provide specific measurements and descriptions for each section. At the bottom, there are two detailed cross-sectional views labeled '断面詳細図 S=1/3'. The overall layout is organized into horizontal rows corresponding to different parts of the facade, such as '間口' (Width), '高さ' (Height), and '構造' (Structure).
