

## Information about COVID - 19

### The way of contact has been changed

#### In case of a high fever or severe coughing.....

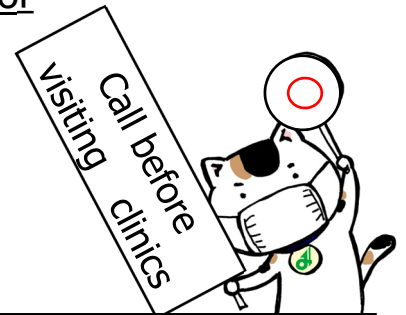

(1) First call your family doctor and ask their instructions.

(2) If you are not sure where to contact, please call

the "Jushin-Soudan Center" (Medical Contact Information Center) .

※ The reception time or the procedure for seeing a doctor  
might be different for potential COVID-19 patients.

※ Be sure to follow their instruction .
